

snagR

CAPTURE, REPORT, ANALYSE

Start of the work

The image shows a login page for the DAMEN HSEQ - YARD system. At the top, there is a blue header with the DAMEN logo and the text "HSEQ - YARD" and "v4.0.0.10616". Below the header, there are two input fields: "Username" and "Password". A blue "Sign In" button is positioned below the password field. At the bottom of the form, there is a link that says "I forgot my password".

This is your Welcome page that you see once you type SnagR URL in your browser on your PC.

Please, enter your credentials.

v4.1.0.11839

Login to Company Admin Area

Select a Project:

- Damex Shipbuilding and Engineering Cuba
- Due Diligences
- Field Services
- Group HSE Reporting**
- Health Safety and Environment

Login to Project

Sign Out

Once you are logged in, you will be redirected to the page with a list of Damen projects.

Please, choose your yard & click 'LOGIN TO PROJECT'

Reporting

All Damen companies, production related or not, should report their environmental performances through SnagR via inspection.

Please check the screenshot on the right and follow the steps shown (1 and 2).

Always make sure you are in the 'Inspection mode' before creating the inspection!

The screenshot shows the DAMEN SNAGR interface. On the left is a navigation menu with items: Plan Viewer, Dashboards, Issues Reporting, Inspections, Progress Monitoring (Beta), Checklists, Room/Area Signoff, Analytics, My Subscriptions, Document Repository (Beta), and Project Administration. A red arrow labeled '1' points to 'Plan Viewer'. On the right, there is a dropdown menu for 'Inspection' with options: Issue, Inspection, and Setup. A red arrow labeled '2' points to 'Inspection'. Below the menu is a table of yards with circular icons in the right column, some of which have numbers 1 through 15 next to them.

Group report - creation

Check the list of yards and find yours among the presented.

Click on the location (target) sign (1).
Use 'plus sign' to continue (2).

The screenshot shows the DAMEN web application interface. The top navigation bar includes the DAMEN logo, a menu icon, a search bar, and a dropdown menu for 'List of yards (7)'. The left sidebar contains various navigation options: Plan Viewer, Dashboards, Issues Reporting, Inspections, Progress Monitoring (Beta), Checklists, Room/Area Signoff, Analytics, My Subscriptions, Document Repository (Beta), and Project Administration. The main content area displays a table of yards with a target icon (1) and a plus sign (2) next to the 'Amels' entry. A modal window titled 'Amels (1)' is open, showing 'Open' and 'Close(0)' buttons.

Group report - creation

In the drop-down menu of the pop up shown on the screenshot choose 'Environmental Reporting' inspection.

Click

Confirm

For easier tracking of forms and for convenience, you can use 'External reference' field for identification of the form.

The screenshot displays the DAMEN web application interface. On the left, a sidebar menu lists various features: Plan Viewer, Dashboards, Issues Reporting, Inspections, Progress Monitoring (Beta), Checklists, Room/Area Signoff, Analytics, My Subscriptions, Document Repository (Beta), and Project Administration. The main content area shows a list of yards, including Amels, Concordia Damen, Damen Anchor and, Damen Green Solut, Damen Holding, and several Damen M and Damen S entries. A pop-up window titled 'Add Inspection' is open, showing a dropdown menu for 'Inspection' with 'Environmental Reporting' selected. Below this, there is an 'External Reference' field, which is highlighted with a red border. The pop-up also includes 'Close' and 'Confirm' buttons.

Group HSE Report

The newly added inspection will appear within the location sign. Click on it to fill it in.
